

OUR STORY...

Nestled in the East Devon countryside, in a valley of stunning farmland and woodland is The Cattle Barn.

We, Emily and Luke Knight, run our commercial working farm with our young children. Our two boys help on the farm and our little girl can often be found helping, dressed as a princess. Across 120 acres, we raise grass-fed livestock and during the week run an alternative and social Care Farm assisting individuals with disabilities, social needs or offering alternative education aged 12 and over.

Weddings at Knights Farm began when we hosted our own wedding and the barn was transformed, proving to be a perfect venue and endlessly romantic.

The barn was transformed unrecognisably from the winter cattle barn - the concept was born. Following two more family weddings in the barn, we were approached to host for others.

Our dedicated team are trained to create an unforgettable experience for couples and their loved ones. From DIY to bespoke packages, we will assist you to create your perfect day.

The Cattle Barn is an exclusively unique venue with limited availability from mid May to September

Weddings in The Cattle Barn are endlessly romantic and ideal for seating up to 120 guests and evening celebrations of up to 200. For larger weddings, please talk to one of the team.

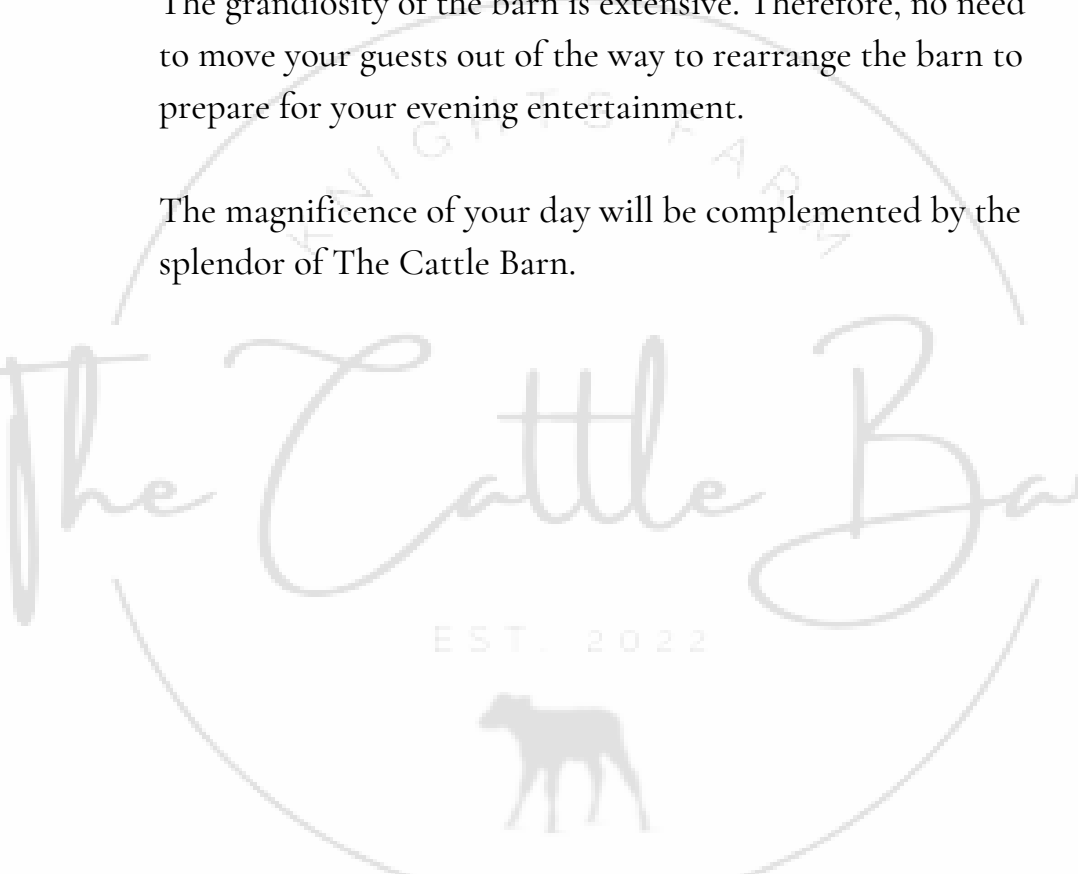

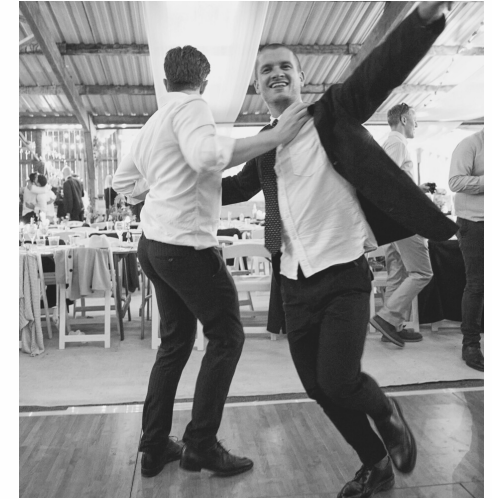

CELEBRATE IN STYLE

Dreams can come true.

The Cattle Barn lends itself to a blank canvas creating the perfect backdrop for your personalised day. Whether that be country, rustic style or swags of fabric draping elegantly around the barn, we are here to support you to plan and coordinate.

The grandiosity of the barn is extensive. Therefore, no need to move your guests out of the way to rearrange the barn to prepare for your evening entertainment.

The magnificence of your day will be complemented by the splendor of The Cattle Barn.

THE BLESSING

We are not licensed for ceremonies here at The Cattle Barn. We can, however, offer you the most breathtaking backdrop, overlooking Sidmouth gap to hold a blessing.*

LET THE PARTY BEGIN

The Cattle Barn is magical at night, as the dusk falls, the moon can be seen rising over the trees. As the rolling hills begin to fade into the night, there are many options to choose from to accommodate your style.
